

## Candidates for the Cathedral of St. Mary Parish Council 2017-2021

Voting will take place at all Masses on September 15th & 16th

**Kelsey Kean** has been a member of the Parish for 43 years. He and his wife Nicole and children Kaden and Amelia are active members of the Parish. He attended St. Mary's grade school and Seton Catholic High School. Currently his two children attend St. Mary's School. Kelsey has been a member of the Parish Council for the past 3 years, serving as Vice Chair the past 2 years. Kelsey helps with fellowship after Mass and heads the volunteer recognition award program that was started by Ed Avery. Kelsey has provided information at the health fair regarding physical therapy. As a child, he was an alter server 3rd through 12th grade. Kelsey is most interested in representing families and their concerns, especially those with children, and to offer this perspective when advising and helping implement changes that make the Cathedral of St. Mary more accommodating to its parishioners. Second, he is interested in continuing to follow up on the Parish survey and the needs of people that were identified. Kelsey states "Serving on the Parish Council for the past 3 years has been an honor, and I have learned a great deal about the many ministries that do so many good things to help people in our parish spiritually and on a day to day basis."

**Brian Greene** has been a member of the Parish for 26+ years. He and his wife Cynthia are active members of the Parish. Of their children, two are in Florida (Dean & Jennifer), and one in California (Melissa). Brian is head of the Welcoming Ministry which needs more joyful volunteers and is a member of the Parish Liturgy Committee. As a council teammate he will assist the council to continue parishioner-driven pastoral planning; to enhance our sacramental life and social gatherings; and to develop substantive strategies that will grow our Parish into an amazing, warm and welcoming family. Brian's desire for a joyous Parish life here and his work experience in state government as a librarian, planner and facilitator have prepared him to be an engaged council member ready to serve.

**Jim Casey** has been an active member in Cheyenne for the past 45 years and became involved with the Parish when he first attended with his father from the military base, during which time Jim served as an altar boy. He now has been a member of the Cathedral St. Mary's Parish for 12 years and continues to live in Cheyenne with his wife Heidi, two sons, Connor and Taylor, and daughter Jayme. Jim is a longtime supporter of St. Mary's School Fanfare for Education and has provided continuous support to the school as well as numerous charitable organizations in the community. Jim is looking for opportunities to contribute and become more involved with the Parish. Jim is interested in serving on the Parish Council to provide leadership, resources, and support that the Parish may need. His career as a Vice President and General Manager of Halladay Motors Inc. has provided him the extensive business and leadership experience that may contribute to the council.

**Myron Gust** and his wife Sandra have been parishioners of the Cathedral St. Mary's for eight years. Myron provided the electrical design for Hartman Hall and the church air conditioning system. Myron is interested in serving on the Parish Council as he would like to provide any assistance he can to our priests and Parish. He is interested in learning more about our church. Myron states, "Through the years I've had the opportunity to gain many life experiences, perhaps this would be of value to the Parish Council. To the parishioners of the Cathedral St Mary, I would like to ask for your vote, for Parish Council. If elected, during the time serving on the council, I will be available to hear your thoughts, concerns and suggestions, of which I would take to the council for consideration. The Cathedral of St. Mary is your church and I would represent you as a Parish Council member."
